

STUDENT WELLNESS

The Board of Education recognizes the link between student health and learning and desires to provide a comprehensive program promoting healthy eating and physical activity for district students. The Superintendent or designee shall build a coordinated school health system that supports and reinforces health literacy through health education, physical education, health services, nutrition services, psychological and counseling services, health promotion for staff, a safe and healthy school environment, and parent/guardian and community involvement.

(cf. 3513.3 - Tobacco-Free Schools)
(cf. 3514 - Environmental Safety)
(cf. 5131.6 - Alcohol and Other Drugs)
(cf. 5131.61 - Drug Testing)
(cf. 5131.62 - Tobacco)
(cf. 5131.63 - Steroids)
(cf. 5141 - Health Care and Emergencies)
(cf. 5141.22 - Infectious Diseases)
(cf. 5141.27 - Food Allergies/Special Dietary Needs)
(cf. 5141.3 - Health Examinations)
(cf. 5141.31 - Immunizations)
(cf. 5141.32 - Health Screening for School Entry)
(cf. 5141.6 - School Health Services)
(cf. 5142 - Safety)
(cf. 5146 - Married/Pregnant/Parenting Students)
(cf. 6142.1 - Sexual Health and HIV/AIDS Prevention Education)
(cf. 6164.2 - Guidance/Counseling Services)

To encourage consistent health messages between the home and school environment, the Superintendent or designee may disseminate health information to parents/guardians through district or school newsletters, handouts, parent/guardian meetings, the district or school web site, and other communications. Outreach to parents/guardians shall emphasize the relationship between student health and academic performance.

(cf. 1113 - District and School Web Sites)
(cf. 6020 - Parent Involvement)

School Health Council/Committee

The Superintendent or designee may appoint a school health council or other committee consisting of parents/guardians, students, food service employees, district and school site administrators, Board representatives, health professionals, school nurses, health educators, physical education teachers, counselors, members of the public, and/or others interested in school health issues.

(cf. 1220 - Citizen Advisory Committees)
(cf. 9140 - Board Representatives)

STUDENT WELLNESS (cont.)

The school health council or committee shall advise the district on health-related issues, activities, policies, and programs. At the discretion of the Superintendent or designee, the council's charge(s) may include the planning and implementation of activities to promote health within the school or community.

Nutrition Education and Physical Activity Goals

The Board shall adopt goals for nutrition education, physical activity, and other school-based activities that are designed to promote student wellness in a manner that the district determines appropriate. (42 USC 1751 Note)

(cf. 0000 - Vision)

(cf. 0200 - Goals for the School District)

The District's nutrition education and physical education programs shall be based on research, consistent with the expectations established in the state's curriculum frameworks and content standards, and designed to build the skills and knowledge that all students need to maintain a healthy lifestyle.

(cf. 6011 - Academic Standards)

(cf. 6143 - Courses of Study)

Nutrition education shall be provided as part of the health education program in grades K-12 and, as appropriate, shall be integrated into other academic subjects in the regular educational program. Nutrition education also may be offered through before- and after-school programs.

(cf. 5148.2 - Before/After School Programs)

(cf. 6142.8 - Comprehensive Health Education)

All students in grades K-12 shall be provided opportunities to be physically active on a regular basis. Opportunities for moderate to vigorous physical activity shall be provided through physical education, recess, school athletic programs, extracurricular programs, before- and/or after-school programs, and other structured and unstructured activities.

(cf. 6142.7 - Physical Education)

(cf. 6145 - Extracurricular and Cocurricular Activities)

(cf. 6145.2 - Athletic Competition)

STUDENT WELLNESS (cont.)

The Superintendent or designee shall encourage staff to serve as positive role models. He/she shall promote and may provide opportunities for regular physical activity among employees. Professional development may include instructional strategies that assess health knowledge and skills and promote healthy behaviors.

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

The Board prohibits the marketing and advertising of non-nutritious foods and beverages through signage, vending machine fronts, logos, scoreboards, school supplies, advertisements in school publications, coupon or incentive programs, or other means.

(cf. 1325 - Advertising and Promotion)

Nutritional Guidelines for Foods Available at School

The Board shall adopt nutritional guidelines for all foods available on each campus during the school day, with the objectives of promoting student health and reducing childhood obesity. (42 USC 1751 Note)

The Board believes that foods and beverages available to students at district schools should support the health curriculum and promote optimal health. Nutritional standards adopted by the district for all foods and beverages sold to students, including foods and beverages provided through the district's food service program, student stores, vending machines, fundraisers, or other venues, shall meet or exceed state and federal nutritional standards.

(cf. 3312 - Contracts)

(cf. 3550 - Food Service/Child Nutrition Program)

(cf. 3554 - Other Food Sales)

(cf. 5148 - Child Care and Development)

(cf. 6300 - Preschool/Early Childhood Education)

The Superintendent or designee shall encourage school organizations to use healthy food items or non-food items for fundraising purposes. He/she also shall encourage school staff to avoid the use of non-nutritious foods as a reward for students' academic performance, accomplishments, or classroom behavior.

(cf. 1230 - School-Connected Organizations)

STUDENT WELLNESS (cont.)

School staff shall encourage parents/guardians or other volunteers to support the district's nutrition education program by considering nutritional quality when selecting any snacks which they may donate for occasional class parties and by limiting foods or beverages that do not meet nutritional standards to no more than one such food or beverage per party. Class parties or celebrations shall be held after the lunch period when possible.

Guidelines for Reimbursable Meals

Foods and beverages provided through federally reimbursable school meal programs shall meet or exceed federal regulations and guidance issued pursuant to 42 USC 1758(f)(1), 1766(a), and 1779(a) and (b), as they apply to schools. (42 USC 1751 Note)

In order to maximize the district's ability to provide nutritious meals and snacks, all district schools shall participate in available federal school nutrition programs, including the National School Lunch and School Breakfast Programs, to the extent possible.

(cf. 3553 - Free and Reduced Price Meals)

Program Implementation and Evaluation

The Board shall establish a plan for measuring implementation of this policy. The Superintendent shall designate at least one person within the district and at each school who is charged with operational responsibility for ensuring that each school site implements this policy. (42 USC 1751 Note)

(cf. 0500 - Accountability)

To determine whether the policy is being effectively implemented districtwide and at each district school, the following indicators shall be used:

1. Descriptions of the district's nutrition education, physical education, and health education curricula
2. Number of minutes of physical education instruction offered at each grade span
3. Number and type of exemptions granted from physical education
4. Results of the state's physical fitness test
5. An analysis of the nutritional content of meals served based on a sample of menus

STUDENT WELLNESS (cont.)

6. Student participation rates in school meal programs
7. Any sales of non-nutritious foods and beverages in fundraisers or other venues outside of the district's meal programs
8. Feedback from food service personnel, school administrators, the school health council, parents/ guardians, students, and other appropriate persons
9. Any other indicators recommended by the Superintendent and approved by the Board

The Superintendent or designee shall report to the Board at least every two years on the implementation of this policy and any other Board policies related to nutrition and physical activity.

Posting Requirements

Each school shall post the District's policies and regulations on nutrition and physical activity in public view within all school cafeterias or in other central eating areas. (Education Code 49432)

Each school shall also post a summary of nutrition and physical activity laws and regulations prepared by the California Department of Education.
